LONG ISLAND BONSAI SOCIETY

2015

Happy New Year!

Well, The holidays are past, and we are all settling in for what promises to be a beautiful winter rest.

As Ceil and I sit here by the fire, we can't help but look back at the wonderful year we all had at our most wonderful club.

From the great demonstrations, to parties and the great deals we all enjoy at the auctions and raffles, it was all too much fun indeed.

I know we speak for the entire membership when thank all those that have worked so very hard for the club in 2014.

As with the start of any new year, there is a certain excitement about the year to unfold. At LIBS we are going to have new speakers, new species of trees, as well as maybe some new surprises scattered here and there.

We look forward to sharing a most healthy and very happy new year together with our family at the Long Island Bonsai Society.

Enjoying the party with good friends.

Holiday Party!

If you missed the party, well, you really missed a great party!

The food was awesome, the people were the best, and the desserts were incredible. I should know, I tried all the desserts!

Special thanks to everyone who helped setup and prepare the wonderful holiday feast!

Plans for the New Year

Ceil is hard at work, planning to bring back some old friends as well as new guest speakers. In either case you can bet we will have tons of fun and learn a great deal in the process.

The club could use a new editor for the newsletter. The newsletter keeps us all in touch and current with the club latest events.

If can spend a few hours a month to help create the newsletter please contact Ceil Gomez at Ceil@jaglabs.com.

Stay tuned for what we hope will be the very best year so far for the Long Island Bonsai Society!

Photos don't tell it all

At best, photographs just serve as a starting point to invoke a story. Such is the case here.

These simple photographs do serve to remind us of all the hard work and dedication that goes into running a successful club.

So we dedicate this last issue of the 2014 newsletter to everyone who has helped us enjoy such a fun and educational hobby in a great and supportive environment.

From everyone who helped with the silent auction, to helping sell raffle tickets, to planning parties, and guest speakers, for those that help setup up each meeting and help cleanup, those that help at doing whatever needs to be done, whenever it needs to be done, we thank you. Most of all, thank you for just for being who you are.

We hope you enjoy the photos and the memories just as much as we do.
