The Long Island Bonsai Society

There are no borders in Bonsai. It brings peace to a palace as it does to the most humble of homes, to the young as to the old, to the rich as to the poor.

It invites us to live within the world it is onto itself, and we are drawn, as no words can express, to live within its shade.

The Long Island Bonsai Society invites all to enjoy this living art that can last for generations.

We meet the 2nd Monday of each month at 7:30PM at Planting Fields Arboretum, Oyster Bay, NY. Doors open at 7PM for refreshments and general membership discussions. Feel free to bring one of your trees for advice from other members. Most meetings have a tree styling demonstration by a Bonsai artist(s) which is (are) usually raffled off at the end of the meeting. Volunteers are needed to present Tokonoma at each meeting. Please email Jim Genesee at Jgenesee@optonline.net if interested.

Please see meeting schedule in the side bar.

We also hold auctions of member donated trees, pots and equipment. Please watch for details!!!!

Members please see our website to purchase soil supplies.
